Monday – my name day.

Death of Neda

Her name means The Calling.

She loved to travel.

They met in Turkey.

One shot.

She wasn't vomiting blood.

She was dying. Her eyes rolled up.

Her doctor fled overseas.

Her music teacher forced

to change his testimony.

Her fiancé arrested.

President Ahmadinejad interviewed on CNN

the interpreter capturing so well the bleating tone.

The camera holds, the small eyes, the nose

sniffing sideways.
